Monogram Candles Get a Contemporary Upgrade From Primal Elements

Huntington Beach, CA...For Immediate Release...Enhance the ambience of any room with Primal Elements new Monogram Candles. Crisp white glass is embellished with jet-black crystals for a classic yet slightly edgy appearance. These candles feature a unique soy-wax blend and our original Blackberry Amber fragrance. The highly decorative candles come in a matching hand jeweled box, perfect for gift giving. Monogram candles can be used individually, or can be grouped to spell out a word or message. These sparkling beauties offer approximately 50 hours of aromatic burn time. All Primal Elements candles are hand poured in small batches and are made from the finest waxes and cotton lead free wicks. The 11 oz candle has a suggested retail cost of \$24.

“Our candles are hand-poured and made of the finest quality blend of vegetable wax. The Monogram Candles are the result of Primal Elements quality, fragrance and style coming together to create an edgy, unique candle,” said Faith Freeman, founder of Primal Elements.

Primal Elements products are made in the USA and are available nationwide at high-end specialty retailers and online at www.primalelements.com. For more information, call Primal Elements at (800) 434-8277 or visit the website at www.primalelements.com.
